

INTERNATIONAL CONFERENCE “ECO-DIGITAL FUTURES: SYNERGISING GREEN INNOVATION, SUSTAINABLE EDUCATION, ECONOMY AND TOURISM”

Dear Colleagues,

We are pleased to invite you to participate in the upcoming International Conference “**Eco-Digital Futures: Synergising Green Innovation, Sustainable Education, Economy and Tourism**”, which will take place on **December 12-13, 2025 at Bukhara State Technical University**, Bukhara, Uzbekistan.

The conference aims to bring together students, researchers, entrepreneurs, and practitioners to exchange knowledge, experiences, and innovative ideas on the integration of ecological and digital solutions for a sustainable future.

CONFERENCE SECTIONS

I. Green & Digital Innovation for a Sustainable Future;

- Power and renewable energy, smart grids, and low-carbon technologies
- AI, IoT, and big data for environmental monitoring
- Circular economy models and sustainable product design

II. Sustainable, Inclusive & Quality Education in the Digital Era

- Technical & Vocational Education (TVET)
- Smart learning ecosystems (IoT, AI, AR/VR in education)
- Inclusive education for women, youth, and underrepresented communities
- Education Quality Assurance in the age of digital transformation
- Green campus initiatives and eco-pedagogical approaches

III. Green Economy & Digital Entrepreneurship

- Digital green business models and startups
- ESG (Environmental, Social, Governance) strategies
- Digital finance, blockchain, and carbon trading for sustainability
- Youth and women's entrepreneurship in green digital sectors

IV. Sustainable Tourism & Smart Destinations

- Eco-tourism powered by digital platforms
- Smart cities, smart villages, and sustainable tourism ecosystems
- Cultural heritage preservation through digital innovation
- Inclusive and community-based tourism models

V. Policy, Governance & Community Engagement

- National and regional green technology policies
- Smart governance and digital public services
- Empowering communities, women, and youth in eco-digital initiatives

VI. Digital Futures for Health, Well-being & Climate Resilience

- Smart healthcare and telemedicine for sustainable living
- Disaster resilience using IoT, AI, and predictive analytics
- Climate-smart agriculture and food security

VII. Cross-Border Collaboration & Global Partnerships

- ASEAN and international collaborations in green innovation
- Academic mobility and inclusive knowledge-sharing platforms
- Transnational eco-digital initiatives supporting the SDGs

IMPORTANT DATES:

- Abstract submission deadline: November 10, 2025
- Full paper submission deadline: November 25, 2025
 - Notification of acceptance: December 5, 2025
 - Conference dates: December 12-13, 2025

Publication: Every accepted paper will be included in the Conference Proceedings. A selection of outstanding papers will be considered for publication in Scopus-indexed or other indexed journals, with an additional publication fee applicable.

PROCEDURES FOR FORMALIZING THE ARTICLES:

From all sides - 2 sm;

The font of the article is Times New Roman, kegel 12

Title of the article - in capital letters, bold, centered, no more than 12 words;

The interval between rows is one;

Text paragraph - 1 cm;
